Floors and Design

IT I rivestimenti creati dai designer donano agli ambienti combinazioni inaspettate con pavimenti in grès dalla texture distintiva. Le visioni innovative si fondono con la praticità del grès e l'armonia tra materiali e design offre un'estetica unica, aggiungendo profondità e personalità agli spazi.

EN Designer wall tiles allow for unexpected combinations with porcelain floors with a distinctive texture. Innovative visions blend harmoniously with the practicality of these porcelain tiles, ensuring a unique visual experience.

Una materia granulosa ma compatta in cui piccole intrusioni non vengono distribuite in maniera omogenea, ma sparse come semi sul terreno in modo casuale.

A granular but compact material in which small intrusions are not distributed homogeneously, but scattered like seeds on the ground in a random manner.
